## Professional Expertise

Detail-oriented software tester skilled in manual and automation testing, test case design, and defect tracking. Passionate about ensuring quality through systematic testing and continuous improvement.

## Professional Experience

### Adaptive Development Private Limited

Associative Software Engineer

Tirunelveli, India

Nov 2024 - Present

#### Pet Parent Project

- Worked on testing the main application, admin module, and marketing site to ensure functionality, performance, and a smooth user experience across platforms.
- Conducted user experience testing and reported usability and functional bugs.
- Performed accessibility testing using Chrome DevTools to ensure compliance with accessibility standards.
- Executed end-to-end, regression, and functional testing for complete workflow coverage.
- Cleared ESLint errors to maintain clean, high-quality code and improve app performance.
- Monitored cloud logs and handled support tickets to identify and resolve real-time issues.
- Collaborated with cross-functional teams to deliver a bug-free, high-performing application.
- Supported both manual and automation testing to ensure fast and reliable releases in an Agile environment.

#### Lumati Project

- Worked on both the main application and admin module, ensuring functionality, usability, and performance.
- Created and executed detailed manual test cases based on functional requirements and user stories.
- Developed basic automation scripts using Playwright to accelerate the testing process and improve coverage.
- Performed regression testing to verify stability after code changes and maintain system integrity.

- Collaborated within an Agile team environment to support continuous delivery of high-quality releases.
- Participated in test planning, daily stand-ups, and sprint reviews to align testing efforts with development goals.

## Skills

**Testing** - Manual Testing Functional Testing Regression Testing Smoke Testing Performance Testing

**Programming Languages** – HTML, CSS, JavaScript, Python

**Database** – SQL

**Tools** – Playwright, Jira, Post man, Git, Chrome Dev Tool

## Educational Profile

**APC Mahalaxmi College for Women**  
Bachelor of Science, Computer Science  
CGPA: 8.75

**Tuticorin, India**  
2021 - 2024

**B.M.C Higher Secondary School**  
Graduated HSC with 93%  
Graduated SSLC with 91%

**Tuticorin, India**  
2020 - 2021  
2018 - 2019

## Certifications

Python and Soft skill Certification  
Digital Marketing Intern Certificate

Cisco - 2023  
Stuvelly - 2024

## Personal Profile

**Soft Skills** – Dedicative, Adaptive, Time Management, Quick learner

**Hobbies** – Canva, Photography, Adobe, Video Editing

**Address** – 1H/401 Millerpuram, Housingboard, Tuticorin – 628008, Tamil Nadu.
